## Classroom Grant Program Information September 2017

Dear Rondout Valley CSD employees,

The Classroom Grant Fund was established in 2009 to gather funds to support the **Classroom Grant Program**. This program offers teachers and/or support staff the opportunity to apply for mini-grants up to \$500.00, to support innovative programs and/or the purchase of materials and supplies necessary for an optimal classroom learning environment not covered by the current school budget.

Classroom Grant Fund contributions are received from designated donations via the Foundation's donation form, contributions through the Staff Tribute Program, as well as the opportunity extended to all RVCS D employees through a payroll contribution pledge or a one-time contribution. These contributions have accumulated and the following amounts, by school building, that are available this year for Classroom Grants are:

Kerhonkson Elementary - \$411  
Marbletown Elementary - \$1,626  
Intermediate School - \$645  
Junior High School - \$158  
High School - \$729  
District-wide - \$581

Although we all receive many requests for donations to many worthy organizations, this one is up-close and personal. Your voluntary tax-deductible payroll deduction or an annual donation in any amount will make a difference here in our school district for our children.

The Foundation is an independent, not-for-profit corporation whose directors serve without compensation. The Foundation was created, in part, to attract private resources exclusively for the benefit of the students of the Rondout Valley Central School District. If you have any questions about the Foundation, please contact us at [rvedfoundation@yahoo.com](mailto:rvedfoundation@yahoo.com).

What ever you decide about this particular program we know that you give your best, every day, for the students you serve so well.

Thank you,  
The RVEF Board of Directors
