Greetings Rondout Valley Athletic Families!

We are excited to announce that we are now offering the convenience of online registration for Athletics through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

In the past we would post paper signup sheets in each building and students would write their name down if they were "interested" in a sport. We will do this online this year and it will help you get acquainted with the online system and prepare you for actually registering for Fall Sports later in the summer. **Intend to Play a Sport will open on Monday June 5th, 2017.**

In the past parents filled out the yellow and blue packets and signed off on the code of conduct. This year this will all happen online following the directions below. You will still need a valid physical that's less than a year older either done at school or by your private physician. The physical can be confidentially uploaded electronically or a hard copy can be sent into either the Junior High or High School Health Office.

Fall Varsity/JV Sport Registration will open on Friday July 14th

Fall Modified Sport Registration will open on Monday August 7th
