Dear Parent/Guardian,

Our district likes to celebrate student's achievements, activities, and opportunities by sharing them with our community. We do this in many ways, such as (but not limited to) school and/or district newsletters, the district's website, and the district's official social media sites.

Parents who **OBJECT** to the use of their child's name and/or photograph being used must send written notification to their child's building principal. Notification should be received by October 1. Unless otherwise directed, prior year's permission will be in effect until this date. Returning this form to your child's building principal will serve as written notification that you **OBJECT** to the use of your child's name and/or photograph being used.

No action is necessary if you grant permission for your child's name/photograph to be used as described above.

**Please complete the following ONLY if you DENY permission for your child to be included.**

- I OBJECT** to the use of my child's name only, but a photograph/video alone is fine.
- I OBJECT** to both my child's photograph/video and his/her name being used for any of the above uses.

If you return this form with neither of the above boxes checked, it will be understood that permission has been granted.
